🎓 Education

University of Florida

Doctor of Philosophy (PhD) Candidate – Microbiology & Cell Science

Gainesville, FL

08/2022–Expected 2026

Master of Science (MSc) – Microbiology & Cell Science

05/2024

- **Advisors:** Marc G. Chevrette, PhD, Raquel Dias, PhD
- **Thesis:** Targeted Genome Mining for Natural Product-Based Drug Discovery.
- **Committee Members:** Dr. Valérie de Crécy-Lagard, Dr. Yousong Ding, and Dr. Daniel Czyz

NIAMRRE – University of Florida

Gainesville, FL

Certificate – NIAMRRE One Health Antimicrobial Resistance (AMR) Interprofessional Education Program

12/2024

John Innes Centre (JIC) – Rudjer Bošković Institute

Dubrovnik, Croatia

Certificate – Microbial Specialised Metabolites: From Genomes to Biological Functions

09/2024

Industrial University of Santander – UIS

Bucaramanga, Colombia

Bachelor of Science – Biology, Computational Biology

12/2021

- **Advisor:** Jorge L. Fuentes, PhD
- **Thesis:** Prodigiosin Production and Photoprotective/Antigenotoxic Properties in *Serratia marcescens* Indigenous Strains from Eastern Cordillera of Colombia.

🏆 Honors & Awards

Recipient of the Boehringer Ingelheim Foundation and John Innes Centre Scholarship Summer School in

2024

Applied Molecular Microbiology (Dubrovnik, Croatia)

Latin American-Caribbean Scholarship Recipient University of Florida

2023–present

Diversity Travel Award Society for Industrial Microbiology and Biotechnology (SIMB)

2023

UF/IFAS CALS Graduate Student Travel Grant University of Florida

2023

UF Graduate Student Council Travel Grants University of Florida

2023

ASP Lynn Brady Travel Award American Society of Pharmacognosy (ASP)

2023

Grinter Fellowship Recipient University of Florida

2022–2023

Opportunity Fund Program Education USA

2022

Summa Cum Laude Award Industrial University of Santander

2021

Laureate Research Thesis Award Industrial University of Santander

2021

UNG Scholarship Recipient The Una Nueva Generacion Project in Colombia

2019–2021

Lumni GEN 50 Scholarship Recipient Zigma-Bancolombia Foundation

2019–2021

Dean's Academic Achievement Award Industrial University of Santander

2019–2021

Best GPA in College of Science Pedagogical and Technological University of Colombia

2017

GPA Honors Award Pedagogical and Technological University of Colombia

2015–2017

⚙️ Service & Leadership

Ad hoc Reviewer Nature Chemistry, PeerJ, BMC Microbiology, Functional and Integrative Genomics, Bioinformatics

2025

Interest Group Coordinator MIBiG - Supervision of Genomic Annotations for Natural Products, International

2024

Executive Board – Treasurer GATOR Chapter of the American Society of Pharmacognosy (ASP)

2024

Gator Guide Organizer and Volunteer for Microbiology and Cell Science Doctoral Student Recruitment Events, University of Florida

2024

Mentee Society for Industrial Microbiology and Biotechnology (SIMB)

2024

Mentor Científico Latino – Project Students for Higher-Ed Opportunities and Representation in Training (SHORT) Team, International	2023–present
Organizer/Instructor Annual Bioinformatics Summer Workshop	2023–present
Volunteer Education USA, Opportunity Funds Program	2023
Mentor Industrial University of Santander	2021
Mentee Científico Latino – Project Students for Higher-Ed Opportunities and Representation in Training (SHORT) Team, International	2021
Volunteer Student program in Bucaramanga's poorest neighborhoods	2021
Mentee The Una Nueva Generación (UNG) Project, Colombia	2020–2021
Volunteer Natural History Museum, Pedagogical and Technological University of Colombia	2015–2016
